

| No. | H.S Code | Commodity  | US imports from China in 2017 (Unit: Ton) | Amount in Total (Unit: Thousand US Dollars) |
|-----|----------|--|---|---|
| 1   | 26060000 | Aluminium ores and concentrates  | 98970                                     | 33260                                       |
| 2   | 26204000 | Mainly containing aluminum ash and residue   | 4   | 12  |
| 3   | 28182000 | Alumina except for synthetic corundum  | 13513                                     | 21591                                       |
| 4   | 28183000 | Aluminium hydroxide  | 38098                                     | 25227                                       |
| 5   | 28261200 | Aluminum fluoride  | 8175                                      | 9290  |
| 6   | 76020000 | Aluminium waste and scrap  | 591                                       | 1175  |
| 7   | 76031000 | Non-aluminum flake powder  | 2577                                      | 14906                                       |
| 8   | 76032000 | Aluminum flake powder  | 27  | 252   |
| 9   | 76109000 | Other aluminum structures  | 15682                                     | 86246                                       |
| 10  | 76110000 | Aluminum tanks, jars, barrels and other containers with a capacity of more than 300 liters | 22754 pcs                                 | 886   |
| 11  | 76121000 | Hose container   | 23103831 pcs                              | 1643  |
| 12  | 76129010 | Pop-top can and cans   | 13057943 pcs                              | 7031  |
| 13  | 76129050 | Not applicable to aluminum containers for compressed or liquid gases                       | 265135 pcs                                | 4648  |
| 14  | 76130000 | Aluminium container for compressed or liquid gases   | 541006 pcs                                | 6531  |
| 15  | 76141050 | Aluminum stranded wire and cable with steel core, non-insulated                            | 55  | 92  |
| 16  | 76149040 | Aluminum stranded wire and cable with non-steel core, insulated                            | 35  | 115   |
| 17  | 76149050 | Aluminum stranded wire and cable with non-steel core, non-insulated                        | 38  | 273   |
| 18  | 76152000 | Aluminium sanitary ware and its parts  | 1757                                      | 10783                                       |
| 19  | 76161000 | Aluminium nail   | 110                                       | 447   |
| 20  | 76161030 | Aluminium rivet  | 755                                       | 4645  |
| 21  | 76161050 | Aluminium bottle holder, opener, bottle tip  | 6   | 125   |
| 22  | 76161070 | Screws, bolts, nuts, hook head screws, washers and the likes, diameter>6 mm                | 413                                       | 5035  |
| 23  | 76161090 | Screws, bolts, nuts, hook head screws, washers and the likes, diameter≤6 mm                | 460                                       | 8817  |
| 24  | 76169100 | Aluminium wire cloth, mesh, fence and grille   | 1875                                      | 11367                                       |
| 25  | 76169910 | Other industrial aluminum products   | 595                                       | 7902  |
| 26  | 76169951 | Other aluminum products  | 132182 T+5578247                          | 1626519                                     |
| 27  | 82055160 | Aluminum household tools and parts   | 968                                       | 7348  |
| 28  | 82055970 | Other non-household tools and parts made of aluminum                                       | 741                                       | 6223  |
| 29  | 84099130 | Aluminum cylinder cover for ignition engines   | 2397                                      | 17624                                       |
| 30  | 85451920 | Carbon electrode for electrolysis  | 472                                       | 1525  |
| 31  | 87149305 | Aluminium alloy wheels, rim for bicycles   | 255154 pcs                                | 731   |
| SUM |          |  |   | 1.92 Billion                                |
